

Year 10 Parent Contribution Information

Dear Parent/Guardian,

Dear Parent/Guardian,

Craigieburn Secondary College is looking forward to another successful year of teaching and learning with our students and families. We would like to advise you of Craigieburn Secondary College's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, this has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to offer a wider range of subjects throughout the year levels including many electives with particular materials requirements, as well as our Instrumental Music program being offered at affordable costs and special curriculum experiences such as guest speakers, incursions and performances.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Kate Morphy
